SMART REPAIR

SURGIFIX
ONLINE PORTAL

Smart Repair is our unique repair service for surgical instruments, offering the promise of long-term value for money in choosing the sustainable option, and a product replacement if we are unable to return the instrument to an 'as new' condition*.

In choosing our innovative Smart Repair service, customers benefit from dashboard access to our Surgifix Online Portal, enabling you to book, manage and monitor repairs online with your own assigned log in. Instantly communicate directly with the repair team to stay up-to-date with the live progress of repairs and the option to view historical scope repair reports.

Promoting
education; sharing
knowledge and offering
training opportunities

*For the price of the repair. Applies to the 50 most used and repaired products, correct at the time of going to press.
