CONTACT OUR FRIENDLY TEAM TO DISCUSS YOUR REQUIREMENTS

How To Pay

30 days credit is available (subject to status checks) or we accept Visa, Mastercard, Amex cards and cheque payments.

30 DAYS CREDIT | mastercard | AMERICAN EXPRESS | VISA

We're proud to present a selection of our reusable instrumentation which may be suitable for the compilation of your hip surgery sets. The sets can be tailored to your requirements.

We have over 50 years of knowledge and experience in our workshop. Our team of highly skilled technicians undertake a minimum apprenticeship of 5 years and are trained to manufacture instruments, rather than just repair them. This gives us 360 degree understanding of the challenge and the importance of correctly functioning medical devices.

We care immensely about the work we do, never forgetting that instruments we create and repair are responsible for saving lives.

We insist on controlling the quality of every item we manufacture, from the materials used to the rigorous procedures we apply to testing. Our range of supporting products are serviced and repaired in-house, ensuring we are always able to exceed our customers' expectations.

Customers can receive training, participate in factory visits or simply call their local representative for guidance with instrumentation or management.

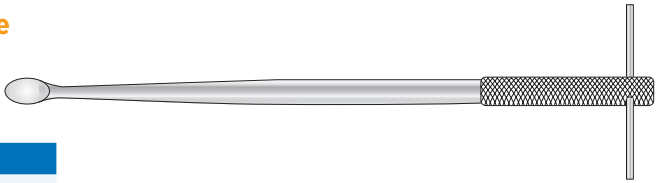
Skill-sharing has been at the heart of our business for four generations and we frequently arrange workshops and attend events at which we can educate others.

ISO 13485 ACCREDITED

Bone Curette

Charnley Bone Curette

With T handle, 380mm long



Code	Description
SC-OR/N040	Large, 20 x 14mm

Refurbishment of orthopaedic sets

Refurbishing instruments can save up to 80%

of the cost of buying new, with compelling evidence to demonstrate effectiveness

Independent research[1] showed that instruments refurbished by Surgical Holdings had a 4x reduction in the amount of residual protein.

The smooth and polished surface has an increased cleaning efficacy, and all refurbishments come with an 18 month warranty as standard. Standard turnaround times are 1 week and an express 2 day service is also available.

Reference: [1] Data available on file.

Book your orthopaedic set refurbishment on info@surgicalholdings.co.uk
