

Full Tray Refurbishment

Maintaining your inventory and ensuring ongoing clinical performance

Our Full Tray Refurbishment service continues to grow in popularity. Set contents will be refurbished, upcycled or replaced, to ensure continual quality improvement at a huge saving

Up to 80%
Saving vs
buying new
instruments

Before

After

‘Research also shows that the smoother the finish on the stainless steel, the better the corrosion resistance (BSSA 2006)’

"Theatre staff, who had sign-off regarding quality, have increased Clinical confidence as the instruments are like new"

- Replacement of non-repairable general instruments for the price of repair
- A managed service and schedule of repairs
- Open communication from a dedicated account manager
- A quick turnaround of sets for minimal downtime
