

# Full Tray Refurbishment

## Maintaining your inventory and ensuring ongoing clinical performance

Our Full Tray Refurbishment service continues to grow in popularity. Set contents will be refurbished, upcycled or replaced, to ensure continual quality improvement at a huge saving.

- ✓ Replacement of non-repairable general instruments for the price of repair
- ✓ A managed service and schedule of repairs
- ✓ Open communication from a dedicated account manager
- ✓ A quick turnaround of sets for minimal downtime

Research also shows that the smoother the finish on the stainless steel, the better the corrosion resistance (BSSA 2006)

# Manufacturer and Repairer of Surgical Instruments

**SMART REPAIR**

**SURGIFIX**  
ONLINE PORTAL

Smart Repair is our unique repair service for surgical instruments, offering the promise of long-term value for money in choosing the sustainable option, and a product replacement if we are unable to return the instrument to an 'as new' condition\*

In choosing our innovative Smart Repair service, customers benefit from dashboard access to our Surgifix Online Portal, enabling you to book, manage and monitor repairs online with your own assigned log in. Instantly communicate directly with the repair team to stay up-to-date with the live progress of repairs and the option to view historical scope repair reports.

\*For the price of the repair. Applies to the 50 most used and repaired products, correct at the time of going to press.
